

GRADUATION SHOWCASE 2026

ÜSKÜDAR UNIVERSITY · SOFTWARE ENGINEERING

ClinicFlow CRM

Clinic Management CRM Web Application

To my dear friend and brother, Eng. Mohamed Amin,

It would mean so much to have you with me at the formal defense of our graduation project, ClinicFlow CRM — the result of months of research, design, and engineering. Your friendship and support have meant the world to me, and I would be proud to share this milestone with you.

Having a brother like you beside me would make this day complete.
